- Honors: MBA Merit Scholarship, LunaCap Foundation Scholar

TECNOLOGICO DE MONTERREY

Bachelor of Arts in Economics and Finance

Mexico City, Mexico

Dec 2022

PROFESSIONAL EXPERIENCE

NVIDIA

FP&A MBA Intern

Santa Clara, CA

May 2026 – Aug 2026

- Deployed a production forecasting model using hierarchical time-series reconciliation to project quarterly GPU revenue and product-mix across 17 enterprise verticals, **covering ~15% of NVIDIA's ~\$280B Data Center business**
- Replaced a **yearly manual** planning process with a **fully automated, monthly pipeline**, enabling the FP&A team to **refresh long-range forecasts** with no additional headcount

KONTEMPO.IO

Early-stage fintech pioneering the B2B BNPL market. Raised US\$32.7M

Mexico City, Mexico

Credit Manager

Aug 2024 – Jun 2025

- Engineered a **multi-agent LLM underwriting workflow** (specialist agents plus an agentic CRO reaching consensus) to parse unstructured SME financials, **cutting CEO review time from 25 to 4 minutes per company**
- Built a credit **scorecard combining decision-tree-optimized cutoffs with logistic regression**, achieving a **0.78 AUC**
- Enabled **\$6M monthly B2B financing**, **reducing defaults 9% YoY** while sustaining **300% annual portfolio growth**
- Partnered with **CEO and Finance** to forecast profitability and **unit economics** (loss rates, funding costs, fees), shaping **capital strategy** and future funding needs
- Leveraged analytics to refine **pricing, collections strategy, and monitoring cadence**, increasing credit fee revenue **5x YoY**

NUBANK

Most valuable digital bank in the world. 5th largest financial institution in LatAm

Remote

Credit Risk Management Senior Analyst

Jul 2023 – Jul 2024

- Built **financial performance and cohort models** and **driver analyses** informing four quarterly earnings reports and leadership decisions across a **100M+ customer base**; partnered with Finance & IR on earnings-call narratives for investors and analysts
- Refactored **Scala data queries on Databricks (Apache Spark)** into modular, unit-tested functions, automating reporting infrastructure, **cutting manual hours 92%**, and enabling real-time performance tracking
- Built the data infrastructure and analytics behind monthly **Risk Appetite Statement KPIs** reviewed by the CRO and senior leadership

KLAR

Mexico's largest independent digital bank. Raised ~US\$350M, 3M customers in 4 years

Mexico City, Mexico

Analyst, promoted from Jr. Analyst

Jul 2022 – Jul 2023

- Built **ETL pipelines in SQL and dbt**, storing curated tables in **Amazon S3 and Redshift**, to support a valuation-based credit underwriting framework **approving ~1M customers**
- Trained a **clustering model** for credit segmentation; separately, built risk and financial analyses presented to institutional lenders, **securing a \$100M credit facility**
- Built **pricing and credit-limit elasticity curves** from A/B test results, using **DCF-based optimization** to maximize Risk-Adjusted Margin across allocation scenarios

NUBANK

Business Analyst Intern

Mexico City, Mexico

Oct 2020 – Jan 2022

- Developed first-generation credit risk model **underwriting 3M+ customers**, strengthening decision accuracy
- Evaluated results of a foundational **A/B test** extending credit offers to previously rejected applicants, driving **16% portfolio growth** and **4.8% margin improvement**

TECHNICAL SKILLS

- **Programming:** Python, SQL, Scala, R
- **Tools:** Excel (pivot tables, macros, VBA), dbt, Amazon Redshift, Amazon S3, Git, Power BI, Databricks
- **Statistical & ML Methods:** Regression, Decision Trees, Random Forests, Clustering, Time-Series Forecasting, A/B Testing
- **AI & Agentic Systems:** Multi-Agent LLM Workflows, Prompt Engineering
- **Finance:** Financial Modeling, Forecasting, Unit Economics, Credit Portfolio Analysis, Risk Management, Modeling ECL

ADDITIONAL INFORMATION

- **Languages & Citizenships:** Spanish, English, Portuguese, Hebrew. Mexican and EU Citizen
- **Affiliations:** LunaCap Scholar, Birthright Excel Fellow. Volunteered in Poland with Ukrainian war refugees
- **Freelance Consultant:** Advised firms and hedge funds on B2C and SMB credit strategy for fintech (30+ sessions)
- **Interests:** Co-founder and songwriter for indie rock band with 10K+ fans; Padel Tennis; Reading The Economist, FT, and WSJ
